

## Pro-Line Injector and Glow Plug Dismantling Aid

### Description

Heavy-duty solvent for seized injectors, glow and spark plugs. Undermines accumulated dirt and corrosion and enables easy removal. Outstanding cleaning properties allow stubborn oil residues, resinification and encrusted dirt to be removed easily.

### Properties

- releases seized up and rusted on parts
- problem-free disassembly possible
- easily dissolves stubborn dirt
- dissolves rust

### Technical data

Density	0,87 g/cm <sup>3</sup>
Color / appearance	gelb / yellow
Form	lüssig, aerosol / liquid, aerosol
Base	Lösungsmittelgemisch / Mixture of solvents
Odor	aromatisch / aromatic
Flash point	-19 °C

### Areas of application

For dismantling seized injectors, glow and spark plugs.

### Application

Shake can vigorously before use. Thoroughly spray the carbon deposits to be removed and allow to take effect for 15-30 minutes. Then remove accumulated dirt and disassemble injectors, glow or spark plugs. With heavy dirt, allow the solvent to work overnight. If they are heavily corroded, loosen the injectors first with Pro-Line Rapid Rust Solvent (part no. 7390).
