

Product information

Bike LM 40 Multi-Purpose Spray

PI 9/29/08/2016

Description

Universal combination of active constituents with excellent, corrosion-protecting, water-repelling, rust and dirt dissolving properties, as well as excellent lubricating effect. Excellent creep characteristics ensure penetration into even the tightest intermediate spaces. Reliably eliminates squeaking.

Properties

- optimum penetration properties
- good corrosion protection
- releases dirt
- eliminates squeaks
- silicone-free
- universal application

Areas of application

The excellent and versatile properties provide a wide range of applications for bikes.

Application

Apply Bike LM 40 thinly and uniformly onto the previously cleaned and dried surface. A visible protective film will be left on the surface. Does not react with plastics, paints or metals.

Comment

Avoid contact with brakes!
